Boys always work it out
O~i!
Ma~eda!

Doesn't it seem like the ground's wetter here?
And it smelled like something was burning earlier.

Where are you, Maeda?

Well, no good signs so far.
There's no way Kawashima did him in, right?

AAH!

Hm...?

Mae-da!
Maeda!

Aah...
Ka-Kawa shima ...

Y-you guys ...

At least, it should be.
The pig died.

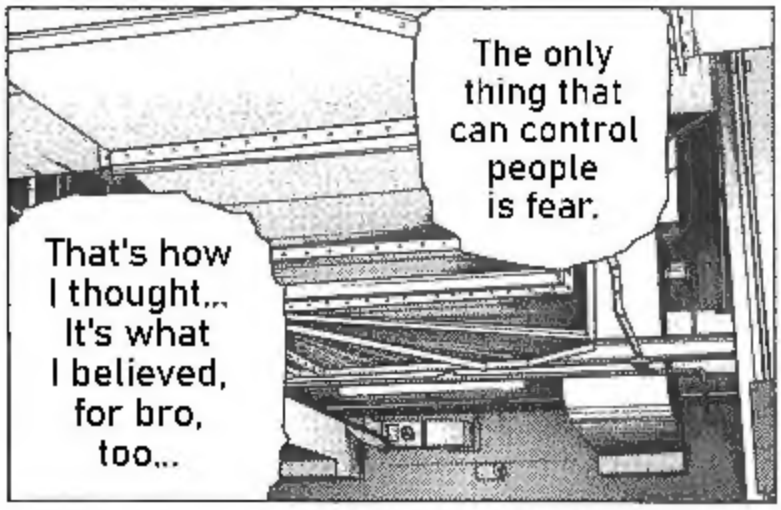
Has your brother's ghost disappeared?



The only thing that can control people is fear.
That's how I thought... It's what I believed, for bro, too...

Power ...
Gave rise to fear...

Kawa shima
But, no... That's not the case.

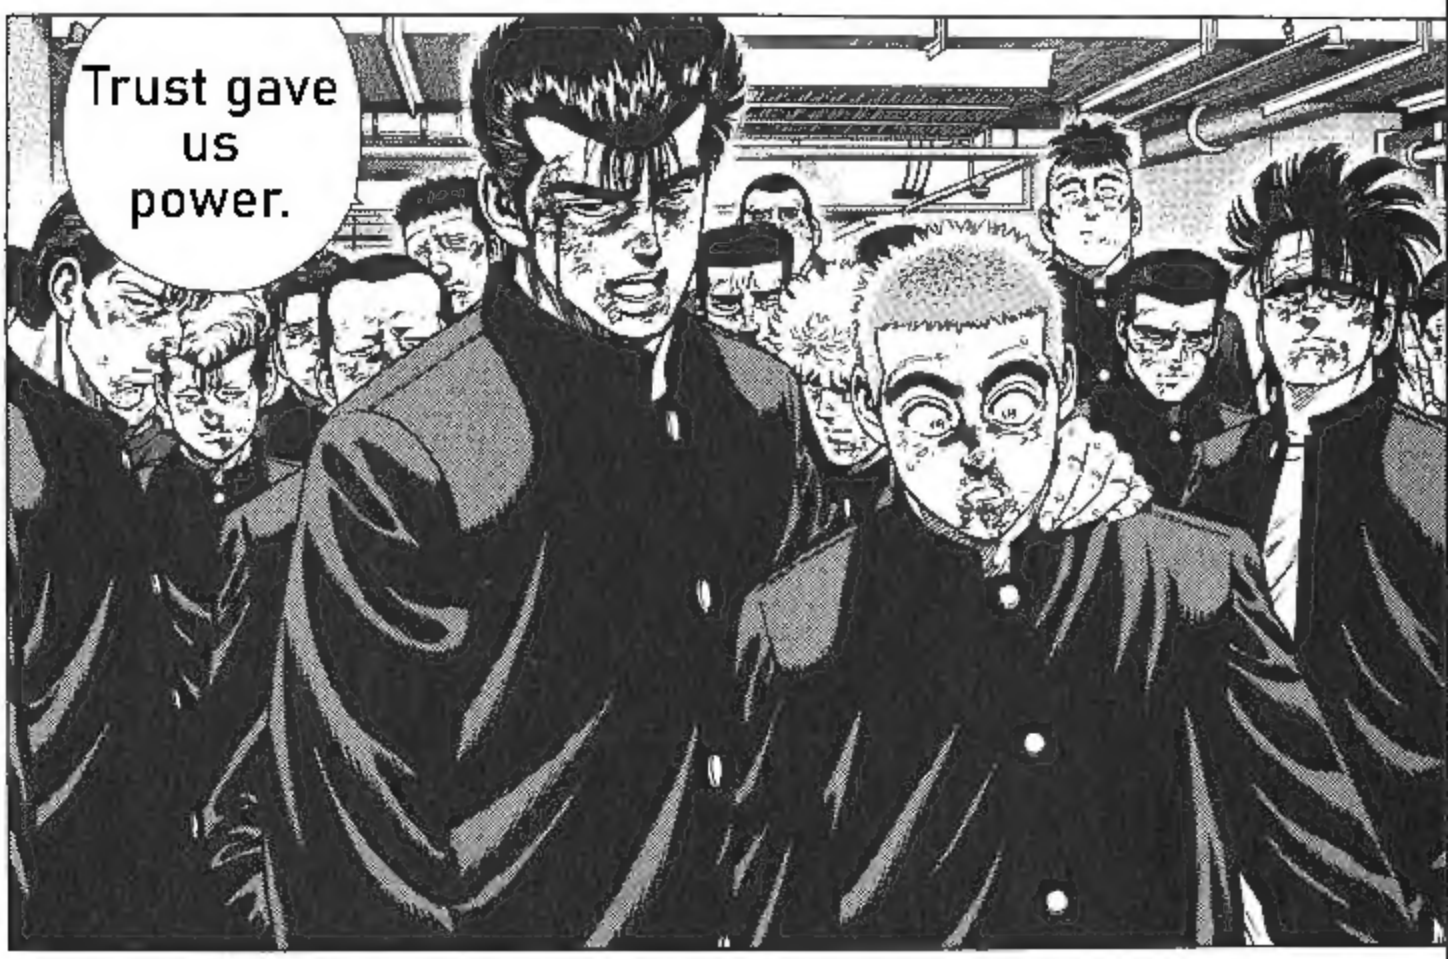
We trust in your power...!
It's trust! Power births trust!

Y'still don't under-stand?
!

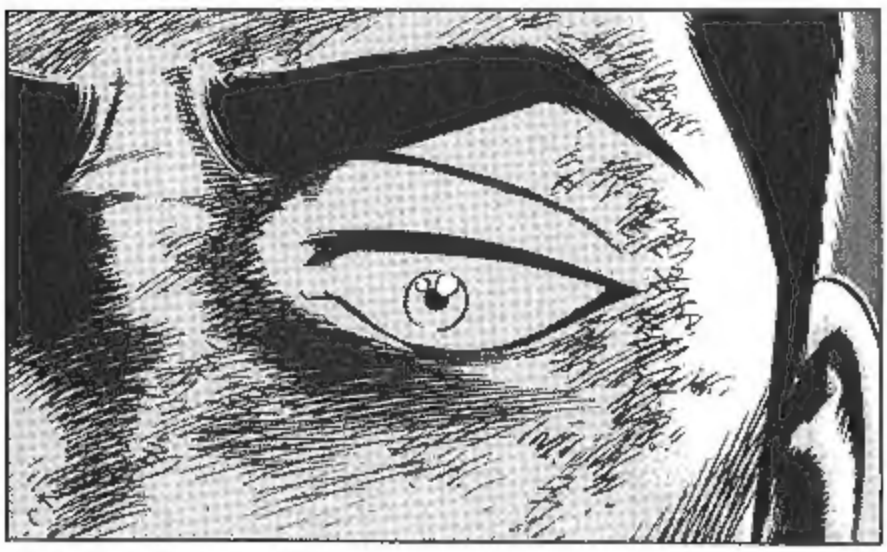
Trust ...

Eh?

Power didn't give rise to trust.



Trust gave us power.



Boss ...

Maybe it's like that.

It's my loss.

It's ok already

Wha~t !?

And from the guy who lost!

Say that again, fucker!

We're still on our trip.

Don't talk about being a sore loser!

You still have to face Kawashima Speaking on everyone's feelings, you're *one courageous hero.*
That we're swallowing your dirty ambitions is thanks to Kawashima.

Hata yama
Eh...
Can you stand?

I-I'm ...
Retard.

What do you mean, dirty ambitions?
.....
It's nothing. Let's go.

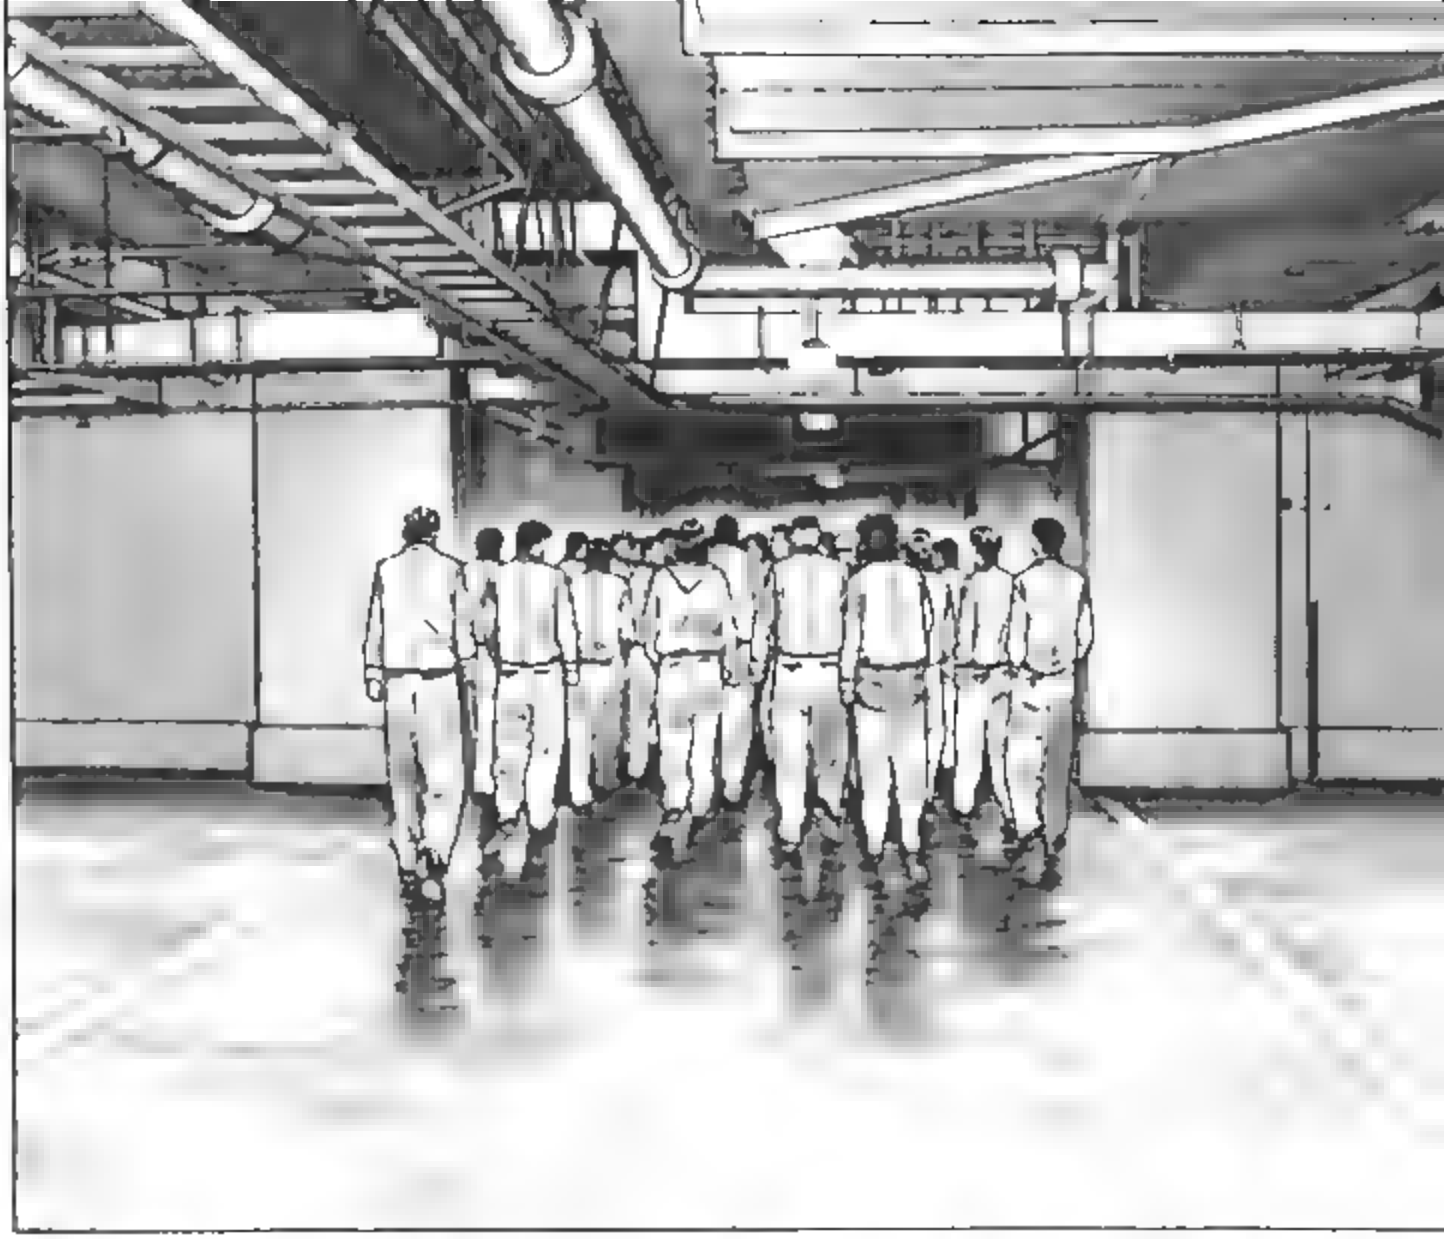
Don't look down on Kyokuto.

We'll return the debt sometime.

I'm never coming to Tokyo again!

Return it then, you fat idiot!

What the hell's that throwaway line!?



Oi, fathead.

Oi, stop it you two!

Wouldn't it be fine to give a word of thanks?
Thanks to whom do you think you won?

And the Koheiji Group makes landing!

We'll show them just how fearsome we are!
The enemy is many! Should you understand, brace yourself, and come!

Once you find them, what'll you do?
We'll tail them to their hotel!
Then when you reach the hotel?
We'll be on lookout!
And if they've taken the bus home?
We'll see them off!
Stop nitpicking already!

We'd be a hindrance ...
I-I think we should just stop, Hei...
Shut up!
